

Sanborn Entomology Club
Meeting Minutes
23rd. January. 2008

Next Meeting: Feb. 6th, 5:00pm in the 3rd floor reading room

Officers: Trisha, Andrew, Ngan, Alissa, Ciara

Business

National ESA Booth Our booth did very well earning us enough money for the spring picnic and a collecting trip. We only have one pair of earrings left, about 75 shirts and a small amount of greeting cards that are still available for purchase.

Spring Picnic Pending agreement from Dennis and Judy, our spring picnic is tentatively scheduled for Saturday April 19th. We plan to have games and food.

Jewelry Making More elytra have been ordered and in the near future we plan on making more earrings and will play with designs for necklaces. Check with and officer if you want to help make them or would like to purchase the goods.

Misc We will be making a flyer to pass out at the Southwest Branch ESA meeting detailing our items for purchase and providing order forms but will not have a table.

Dates To Remember

- Wednesday February 13th, 5:00pm Next SEC meeting
- Saturday April 19th, Spring Picnic
